

# the Fresh Press ALERT

Produce that's Fresh. Information that's to the Point.

**MAY 25<sup>TH</sup>, 2018**

## **BLUEBERRIES ALERT**

Transitioning up to North American production coupled with recent storms in the Pacific Northwest have reduced supply; expect occasional fruit rot and inconsistent sizing.

## **BROCCOLI & BROCCOLINI ALERT**

Broccoli: CA quality is fair, with loose bead, yellowing, brown bead, and mechanical damage prevalent. The market is very active due to lower yields and strong demand. Good supply and quality from Mexico. Broccolini: Supplies have been affected by cool and windy weather; supply is low and demand is high.

## **ORANGES ALERT**

Navel oranges 88 ct and larger fruit are available; smaller fruit is not. Valencia oranges are peaking at 88 ct and smaller with nice quality.
